On his new album, Rick Wakeman really gets down to it.

The album cover features a stylized illustration of a man in a long, dark robe standing in a cavernous, rocky landscape. He is looking upwards and holding a book. In the background, a city skyline is visible against a dark sky, with a large, glowing yellow arrow pointing downwards towards the title. The title itself is rendered in a bold, stylized font with a red and green background.

RICK WAKEMAN

THE JOURNEY TO THE CENTRE OF THE EARTH

Rick Wakeman's "Journey To The Centre Of The Earth" captures the 100-piece London Symphony Orchestra, The English Chamber Choir, the narration of David Hemmings, and the keyboard wizardry of Rick himself, who based it all on the Jules Verne fantasy.

**IN 1974, RICK WAKEMAN TOOK 12.5 MILLION PEOPLE
ON A JOURNEY TO THE CENTRE OF THE EARTH.**

NOW... 25 YEARS LATER...

**HE WANTS YOU
TO GO BACK!**

RICK WAKEMAN

RETURN TO THE CENTRE OF THE EARTH
NARRATED BY PATRICK STEWART

WITH THE LONDON SYMPHONY ORCHESTRA, ENGLISH CHAMBER CHOIR,
OZZY OSBOURNE, BONNIE TYLER, TREVOR RABIN, JUSTIN HAYWARD,
KATRINA LESKANICH & TONY MITCHELL

OUT NOW ON CD / MINI DISC & LIMITED EDITION GATEFOLD LP

RICK WAKEMAN

**THE JOURNEY TO
THE CENTRE OF THE EARTH**

The logo is a vibrant, 3D graphic. At the top, the name 'RICK WAKEMAN' is written in a bold, yellow, blocky font with a red outline and a black drop shadow. Below this, a large, stylized banner is shaped like a wide 'V' or a folded ribbon. The banner has a green upper half and a red lower half, separated by a diagonal line. The words 'THE JOURNEY TO' are on the top left of the banner, and 'THE CENTRE OF THE EARTH' is on the bottom right, both in a yellow, serif font with a black outline. The banner is set against a background of horizontal yellow and black stripes, which also form the spine of a book-like structure. The entire graphic is set against a plain grey background.
